THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1981

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said state, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the tenth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. to bring in your votes for the election of one Selectman for three years, one Fireward for three years, two members of the Budget Committee for three years, two members of the Planning Board for three years, one Cemetery Commissioner for three years, one Trustee of Library for three years, three Commissioners of Plante Memorial Park for one year.

ARTICLE 2. (by ballot) "Shall we adopt the provisions of R.S.A. 72:62 for a property tax exemption on real property equipped with a solar energy heating or cooling system which exemption shall be in an amount equal to 100% of the energy system's full value equalized?" (by petition)

ARTICLE 3. (by ballot) "Shall we adopt the provisions of R.S.A. 72:66 for a property tax exemption on real property equipped with a wind powered energy system which exemption shall be in an amount equal to 100% of the energy system's full value equalized?" (by petition)

Polls will be open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the town.

ARTICLE 4. to hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 5. to see if the town will vote to appoint a committee to have charge of Memorial Day exercises, or take any action thereon.

ARTICLE 6. to see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

ARTICLE 7. to see if the town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and the Anti-Recession Act of 1976 for use as set-offs against budgeted appropriations for the following priority purposes in the amounts indicated, or take any other action thereon:

<u>APPROPRIATION</u>	<u>AMOUNTS</u>
Highway Department	\$10,000.00
Police Department	\$ 5,000.00
Fire Department	\$ 5,000.00
TOTAL	\$20,000.00

ARTICLE 8. to see if the town will vote to transfer \$10,000 plus accrued interest now in the Capital Reserve Fund for the reassessment of the property of the town established under Article 13 of the annual meeting of 1978, to the general fund to be applied towards the cost of the contract for the reassessing of the property of the town, or take any action.

ARTICLE 9. to see if the town will vote to raise and appropriate the sum of \$36,000 for the purpose or purchasing a truck for the use of the Highway Department, such appropriation to be financed by \$18,000 being paid out of the present year's revenues and \$18,000 to be paid by the issuance of a one-year note with interest at such rate as the Selectmen shall deem in the best interest of the town, or take any action thereon.

ARTICLE 10. to see if the town will vote to raise and appropriate the sum of \$15,000 for the purpose of oiling town roads, or take any action thereon.

Jane R. Wright
Town Clerk

SELECTMEN'S REPORT 1980

The Board of Selectmen is pleased to present the following report.

TOWN HALL

As a part of the energy conservation for town buildings 14 inches of insulation was blown into the ceiling between the first and second floor of the hall. Also, 22 combination windows were installed on the lower floor. These two improvements have helped a great deal in restricting the heat loss from the building and should result in a substantial fuel saving as well as making the working conditions more comfortable in the town offices.

The chair lift, voted in 1980 was installed last June and should make the upper hall readily accessible to those who have had difficulty in climbing the stairs. The Edwin E. Schimke Memorial Fund was used as part payment of the unit.

EAST LAKE ROAD

Work on the East Lake Road resumed in April. This was a major undertaking for the town but thanks to good planning and diligent effort on the part of those involved in the construction resulted in major part of the work being completed by July 1, 1980. What needs to be done now is to apply a seal coat of asphalt and road should prove to be of great benefit to those living around the lake, both summer and winter.

RE-ASSESSMENT

The 1980 Annual Meeting authorized the Board of Selectmen to contract the State or a firm to re-appraise all of the property of the town. However, the article did not specifically appropriate the funds so a Special Town Meeting was held appropriating \$33,000. for the work, \$8,000. to be assessed in 1980 and the balance to be raised by the issuance of a note to be paid in 1981. The 1981 Annual Town Meeting to be asked to authorize the transfer of money set aside in a capital reserve account to the general fund. The contract was signed with Edward F. Greene Associates of Keene, and the re-appraisal started in early fall and is going smoothly.

CEMETERIES

After many years of faithful service, Mrs. Gladys Dunham, has resigned as Superintendent of Cemeteries. The town is indebted to Mrs. Dunham for her conscientious care of the cemeteries and most especially at Memorial Day when the town could look forward to observing the occasion with the assurance that both cemeteries would show the devotion that she gave to them.

The Board of Selectmen wish to thank the other officers of the town, heads of departments and those serving on committees or commissions for their co-operation and dedication to carrying on the functions of the town.

Respectfully submitted,

Dilys J. Derby
Wallace F. Angier
Howard C. Holman
BOARD OF SELECTMEN

AUDITORS STATEMENT

This is to certify that I have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of trust funds, and Treasurer of the library and find them correctly cast and properly vouched.

RESPECTFULLY,

Harrison D. Myrick,

PLANNING BOARD REPORT 1980

During 1980 there were many meetings to do with future planning. The Master Planning Commission, under the guidance of Southwestern New Hampshire Regional Planning Commission, worked hard to put together a master plan for the future of Fitzwilliam - the plan is nearly ready for publication and a summary available for mailing to the general public.

Also there is a very dedicated group of citizens working on a Land Use Ordinance for the protection of the Town against undesirable developments. A questionnaire was mailed with a request to return it as soon as possible. The Land Use Plan will be presented for voting at a special town meeting in the Spring or early Summer after a series of public hearings.

All comments from citizens are solicited and welcome.

During the year 1980 - thirteen subdivisions were approved.
one Subdivision was denied.
one subdivision was withdrawn.
Three subdivisions are pending.

THE PLANNING BOARD

Thomas S. McCulla, Chairman

FIREWARDS REPORT

1980 CALLS

The Fitzwilliam Fire Department responded to 130 calls in 1980, a new record. Unlike 1979 when fire calls exceeded emergency calls by one, 85 of the 130 calls in 1980 were for rescue and medical emergency matters. Of the fire calls, only two involved structures with moderate to heavy damage, and 13 involved mutual aid calls.

VEHICLE ROSTER

The present status of our vehicles is as follows:

1. 1936 Stewart - inactive. Condition: fair.
2. 1954 Ford hose reel-pumper with 500 gallon per minute front end pump, 500 gallons of water and 1700 feet of 4-inch diameter hose. Condition: good. We presently plan to take this vehicle out of service during 1981 for sandblasting, repainting and rewiring. As in the case of vehicle repairs and overhauls in recent years, the work will be done by the members of the Fitzwilliam Fire Department, with the only cost to the town being for necessary materials.
3. 1956 GMC 1200 gallon taker with 500 gallon per minute rear mount pump. Condition: good. Renovation work and repainting of this vehicle has basically been completed, although a few matters still have to be attended to.
4. 1965 International pumper with 750 gallon per minute midship pump and 750 gallons of water. This vehicle was renovated and repainted in 1980. Condition: excellent.
5. 1967 Jeep 11/4 ton all-wheel drive pickup truck equipped with forestry equipment. Condition: good.
6. 1977 Chevrolet one-ton rescue truck with emergency first aid and auto extrication equipment. Condition: excellent.
7. 1978 Ford pumper with 750 gallon per minute front end pump and 1,000 gallons of water. Condition: excellent.

VEHICLE MAINTENANCE AND REPAIRS

As noted in this report and in earlier years, the renovation of vehicles has been carried out by the members of the Fitzwilliam Fire Department themselves. This type of project will continue this year with the work on the 1954 Ford, also known as the "Village Truck", which we plan to pull out of service for a brief period in the early spring.

Although we reported last year that the tank on the 1965 International pumper might have to be replaced, we believe that this matter can be delayed for this year.

The firewards wish to extend special thanks to the members of the department who have spent many long hours on the special projects involving the vehicles, as well as the substantial number of

calls and other routine maintenance matters that must be attended to.

FOREST FIRE PERMITS

A continuing reminder that a permit is necessary for any open burning including outdoor fireplaces and cooking fires, except charcoal grills.

1980 WARRANT ARTICLES

The firewards call your attention to Articles 12 through 14 on the 1981 warrant. Article 12 is a completion of Article 13 of the 1980 meeting for the purchase of 10 more pocket monitors. With the monitors purchased from 1980 funds, and the monitors purchased by the department itself, this purchase would mean that all active firemen will be supplied with an updated emergency paging device.

Article 13 refers to the purchase of two portable radios. These are four-channel portables which allow not only for mobility, but allow fire officers to be in contact with the police and municipal frequencies when necessary.

Article 14 pertains to the continuing operation of the Meadowood County Area Fire Department. The resources of Meadowood continue to be a great asset to the Town of Fitzwilliam, as well as other surrounding towns.

The firewards urge your support of Articles 12, 13 and 14.

GOALS AND OBJECTIVES

Last year we mentioned the ten-year plan that was instituted during the 1970's. Although a firm plan has not been set, the two primary capital items that we will most likely have to consider during the 1980's will be a substation somewhere in the vicinity of Route 12, and the eventual replacement of the 1954 Ford. Pending action on a new substation, work may have to be done on the Village Fire Station.

TROY EMERGENCY AMBULANCE SERVICE, INC.

To our friends of TEASI -

Once again it is time to give you a report on your ambulance and to extend our thanks for your support and trust. Like everything else this past year, our cost for maintenance, education and supplies has skyrocketed. The liquid-gold (gas) has reached the point of being one of our main cost in running the ambulance and we have had some repair costs this year. It is also necessary to keep up with modern equipment, and therefore, we have purchased supplies that will enable us to serve you better. We still must keep in mind even though it is not an immediate necessity, we will need a new ambulance in the future, and with careful planning and your continued support, we will be able to purchase one as painlessly as possible when the time comes. Your 24 hour volunteer crew has also maintained their education and their tireless effort to serve you thru the past year. As we near the beginning of our sixth year of service for you, we have passed the 1000 mark in our emergency runs and transers. These calls have all been made on a no-charge basis to you as we promised you back in 1975, and with your continued support we will be able to keep fulfilling that promise.

As President of TEASI, I would like to extend special thanks to the members of TEASI who continually give their time and effort to our service, for the lives they have saved and for the pain and anxiety they relieve, to Rescue 10 in Fitzwilliam for their aid to us, and many thanks to the men at Mutual Aid.

I also would like to stress the importance of your helping us to reach you in an emergency, by telling Mutual Aid, your name, address and any other information that will help us to reach you in minutes. Leaving an outside light on, or an open door, or someone outside to guide us in would be very beneficial to us. Do remember - that we are only a phone call away - just dial 352-1100 and let us help you to turn your emergency into a non-emergency.

Ray Woods, President
TEASI

FITZWILLIAM POLICE DEPARTMENT
ANNUAL REPORT 1980

In trying to evaluate the effectiveness of our department, one must use information that is difficult to obtain and measure. The support of the community can be generally qualified, and it is this support that is so vital to us so that we may be more effective. We may be partially assessed in this way, while the esteem with which we are viewed by the culprits in our community is the other basis for assessment. We aspire to be a constant and reliable threat to them while being sincere and fair. In many ways we may have succeeded though we will never be able to subdue crime and there is much room for improvement.

The most significant improvement we can make in our mission is to convince the people of Fitzwilliam to participate. Countless investigations reveal residents have had something to say, have seen something suspicious, and the like. Yet these people never reported this to us many times because they..."didn't want to be a bother"... Thorough and complete investigations are expensive in time and resources. In an agency such as ours, investigative time is all too often a luxury. Your help in reporting what you find suspicious when you see it can save us from having to conduct an investigation by reacting before the crime.

It is rare when this report does not include a statement concerning the death of a motorist. In May a man died in a single car accident on Route 12. This fatality was among 45 reported traffic accidents of which 6 resulted in personal injuries. An interesting note is that our motor vehicle activity (traffic violations) was well below the previous year when 23 accidents were reported.

I announced preparation of alarm regulations in 1979 and this year finds draft regulations written though not approved. A goal for the present year is the implementation of these regulations which should contribute to a decrease in the number of false alarms (75 for 1980) and the resultant risks and expenses.

In the matter of animal control there has been a tremendous increase in productivity. The Animal Control Officer, Scott Ellis, has been the primary reason for this change and should be credited for its success. His efforts led to record licensing of dogs as well as record citations and restraint orders. Those not familiar should report animal complaints to the police department and they will be referred to Mr. Ellis or handled by an officer.

The police department traveled fewer miles in 1980 and burned less gas. In 1979 it became policy to save gas and curb mileage when possible. There were about 9,000 fewer miles traveled on the two police cars for a total of over 42,000 miles. The newest vehicle, a 1980 Ford Fairmont, was purchased with the intention of doing the best we could with the most efficient car we could. At this writing, some 18,000 miles old, the car is performing well. A device installed in the Ford has paid for itself easily in fuel savings in that it provides heat to the officer without idling the vehicle.

In the course of 1980, 886 calls for service were processed, 4,252 property inspections were made, 354 stops of motor vehicles were made, and 60 persons were taken into custody for a variety of offenses of which 15 were for felonies. 174 investigations were made

of crimes; and 87 were uncleared, 81 cleared, and 6 were unfounded.

Full time police officers are required to be state certified and our officers are. Our part time officers are not certified and are required to be as of January 1 1983. The certification process is underway for these officers who are attending the necessary training classes, and deserve to be commended for their efforts.

The training requirements for part time officers will develop a much better trained and qualified law enforcement community. There may be a future cost which will be in the form of loss of these men through attrition and being unable to replace them for the demands potential recruits must face. This could well cause the need for additional full time help should such a scenario develop.

In closing, it is traditional to thank our fellow agencies for their help. In our case, they provide far more than these thanks ever credit. Though they go nameless, I extend our sincere appreciation for their cooperation and assistance and pledge ours in return.

Respectfully submitted,

Kurt F. Schimke

ROAD AGENT REPORT
1980

The regular summer and winter work was done. Throughout the town we did patching, shouldering, cutting of brush and ditch work. Sections of Old Troy Road and Royalston Road were re-surfaced.

Due to higher repair costs and equipment breakdowns some of the road repair work we wanted to get done had to be cut back.

The men of the Highway Dept. would like to thank the townspeople for their co-operation in reporting problems on the roads. Many times a phone call about a culvert over-flowing, ice jam, or other problems are very helpful. We can't always be on every road every day and these calls prove to be very helpful. Again, we thank the townspeople for their co-operation and many times their patience in overcoming some of these problems.

The Highway Dept. phone number is 585-2255.
